Water Wise Turf™

Since 1979 Chanshare Sod Farms has been green! Through arduous testing of seed blends, production and harvesting practices, we have created turf that is perfectly suited for the Intermountain Region. In addition to residential turf we specialize in custom grown golf course sod and world-class sports fields. Whatever the application we grow Water-Wise Turf™ that is custom designed to meet any demand.

Prestige Pro Golf™

Custom grown tees, fairways, and roughs.

Imperial Blue™

Water-Wise™ Kentucky Bluegrass. Cut your water bill in half.

Royal Blue I & II

Perfect for rigorous sports field play.

Desert Green™

Suitable for parks or low traffic areas. Great for restoration, pasture, or reclamation projects.
